About the Session Chair

Speaker	Dr. TAN Lee Siew Rachel
Company	A*STAR - Singapore Institute of Manufacturing Technology (SIMTech)
Designation	Scientist
<i>Biography</i>	Dr Rachel Tan is currently a Scientist in the Large Area Processing Group of Singapore Institute of Manufacturing Technology (SIMTech). She obtained her bachelor in Chemistry and Biological Chemistry and PhD in Chemistry from Nanyang Technological University in 2010 and 2016 respectively. Her research interests include the synthesis of complex nanostructures via wet chemical methods, surface modifications of nanostructures and functional ink formulations for wearable and printed electronics. She is also actively involved in the development and integration of sensors and electronics into fabrics for wearables.
