

VIRTUAL HEALTHTECH SUMMIT

Microtechnology-Enabled Solutions in Overcoming COVID-19

THURSDAY | JULY 16, 2020 | 15:00 – 16:30 CET

VIRTUAL SUMMIT SPONSORSHIP OPPORTUNITIES

Sponsor the [SEMI Virtual Healthtech Summit](#) featuring a discussion on how COVID-19 has pushed the healthcare and medical technology communities to new operational levels, and how the global community has answered the call for the introduction of innovative solutions with faster time-to-market and more rapid point-of-care testing. Join the discussion amongst industry leaders on how we can work together for greater pandemic preparedness, readiness and deployment in 2020 and beyond.
