Southeast Asia

Meet Dr. Mousumi Bhat of Micron: SEMI Southeast Asia's First Female Regional Advisory Board Member

Despite the challenges of being a minority in my field of work, I have been fortunate to have worked across the end-to-end value chain of semiconductor ...

Diversity and Inclusion

Merck Diversity, Equity, and Inclusion Programs Key to Business Growth and Sustainability

It's our priority to actively support differentiation in our hiring not only to fill our talent pipeline but also to ensure the most innovative teams solve the ...

Fab Power Consumption

Standards Program Powers Up

Another issue with power is consumption – too much of it. Large semiconductor fabs can devour electricity at a clip of 100 megawatts per hour.
