

Quick Step-by-Step Tutorial for connect.semi.org

SCC Member Portal

Get Active in the SCC Community

- If you are receiving this, your company has registered for the SCC
- Activate your account in our member platform, called “Connect@SEMI” or sometimes, just “Connect”, this is where we schedule meetings, store documents and email the groups.
- You sent us a number of contacts and those have been added to our database
 - To access Connect@SEMI, “Sign In”, “Sign Up”, and “Log In” (see next page)
- To add yourself to any Working Group, please complete the form at <https://www.semi.org/en/form/scc-working-group-registration>
- Other members of your companies can also register at this website/form. They will be recognized as members by their **work** email suffix.

How to Login

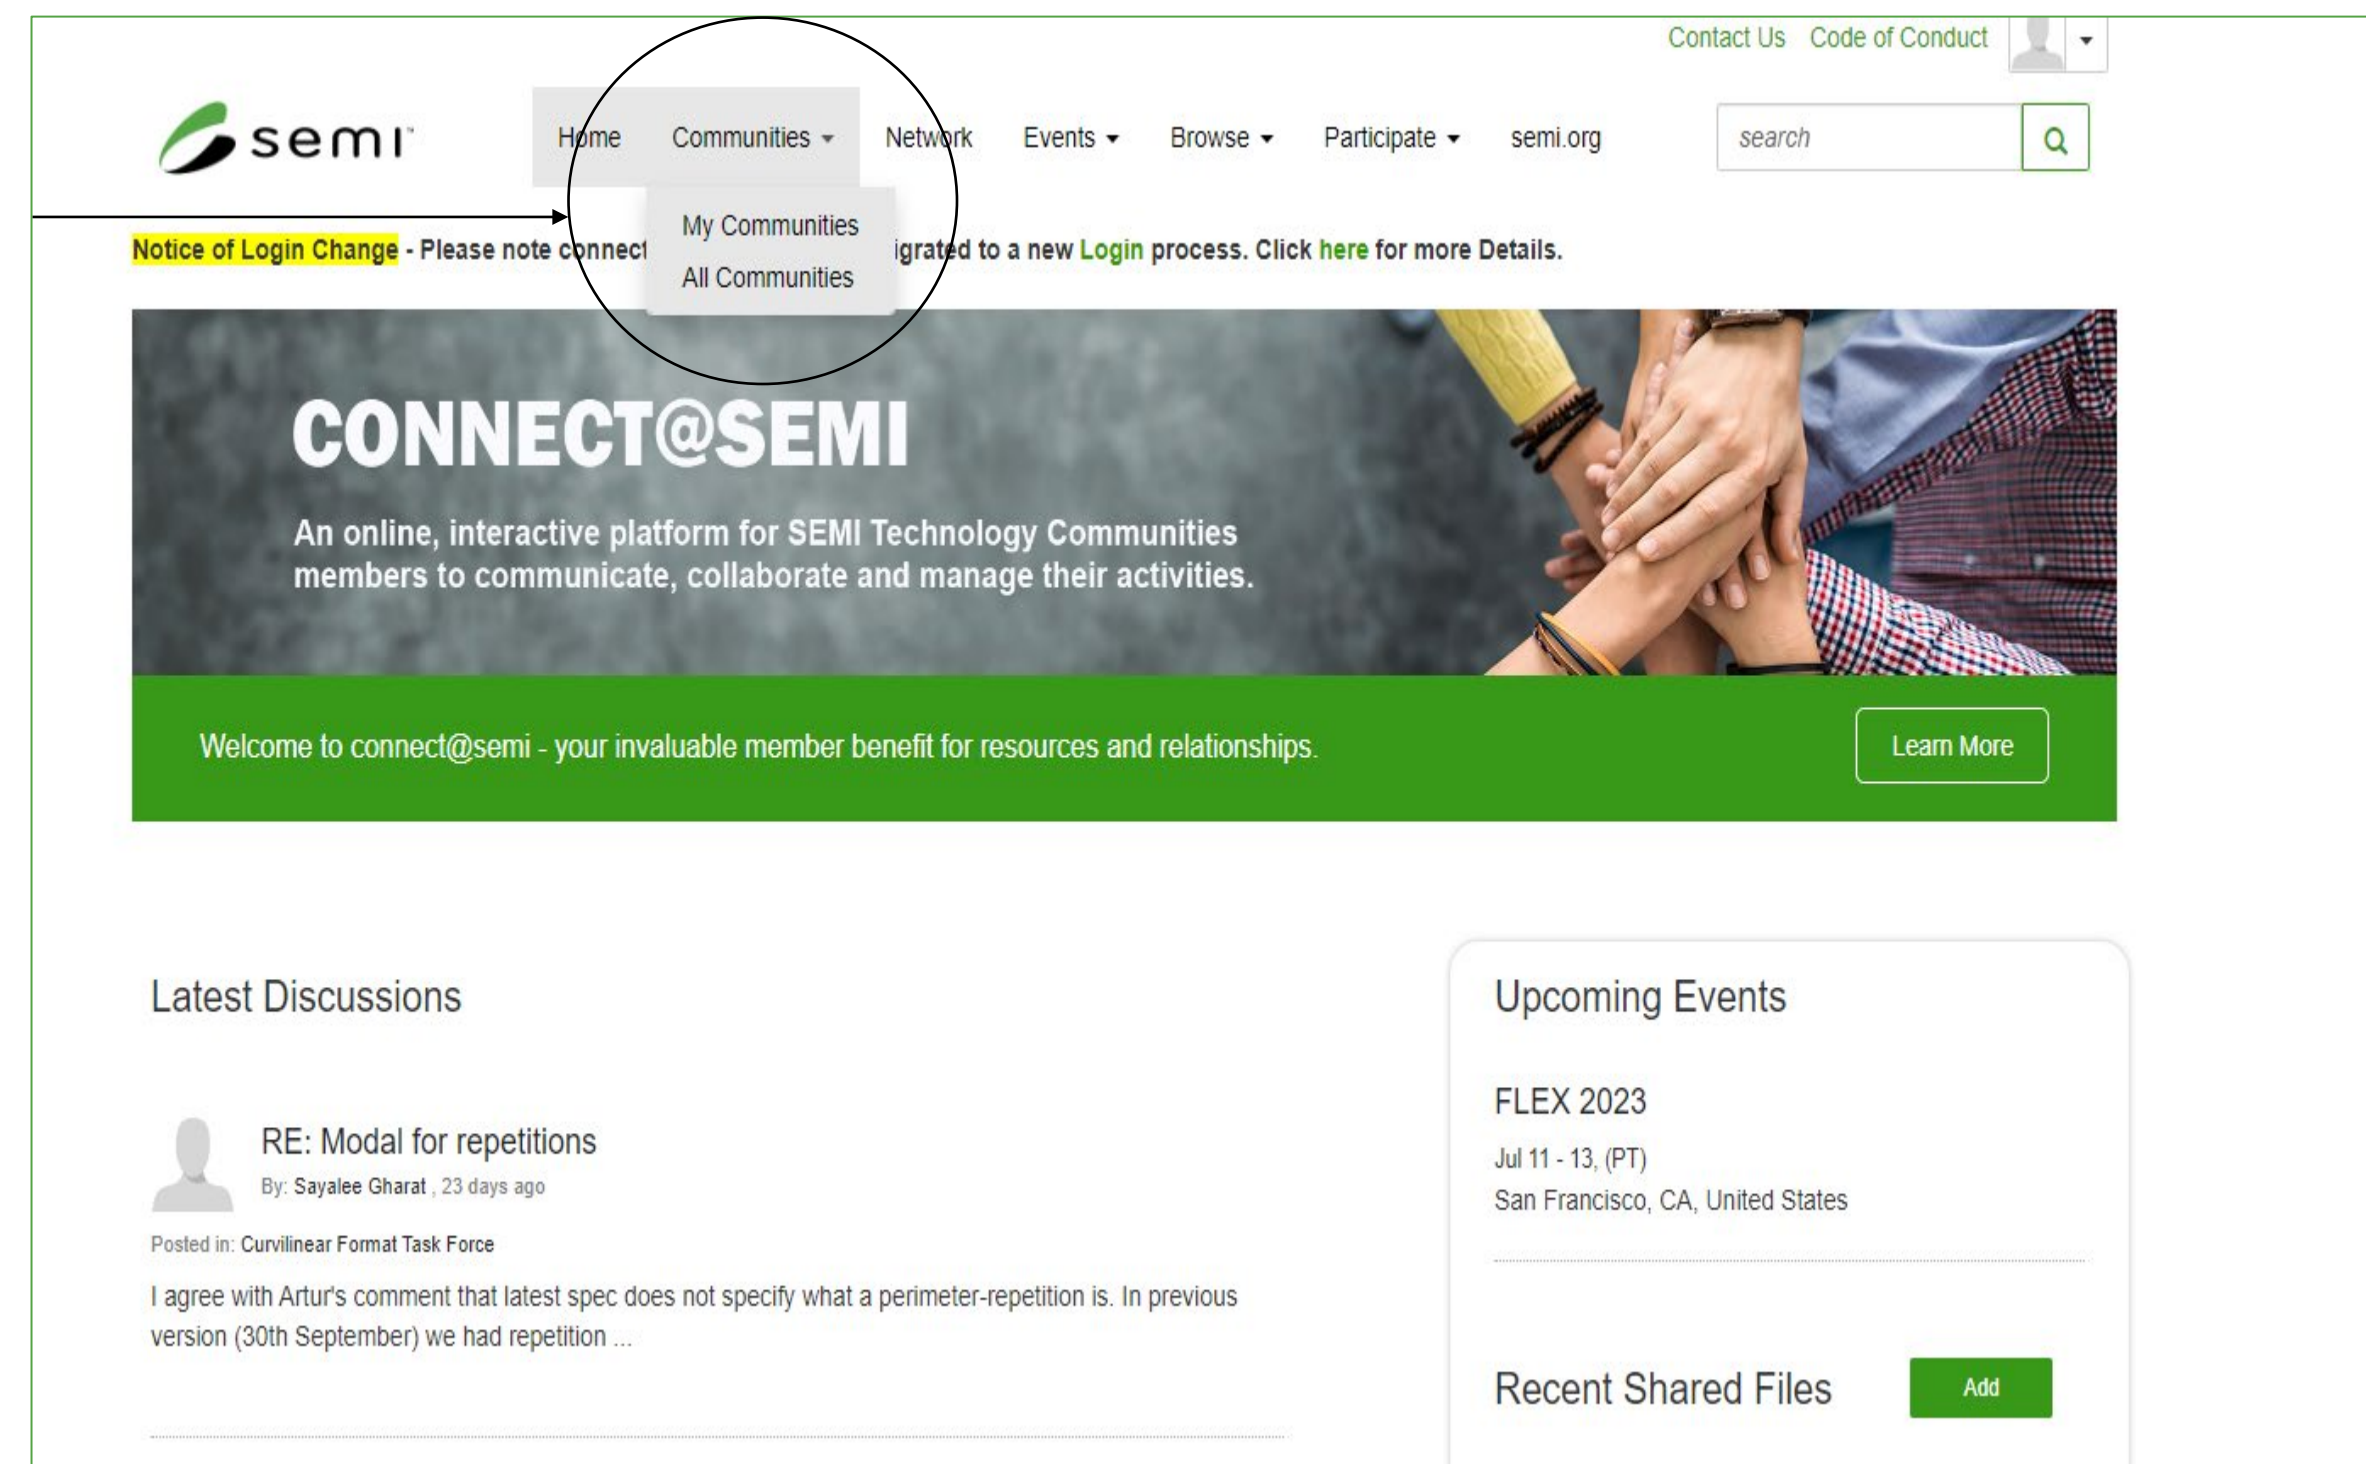

If this is your first time signing into a SEMI system, please Click on “Sign Up”

A screenshot of the SEMI login form. At the top is the SEMI logo and 'connect.semi.org'. Below are two tabs: 'Log In' (selected) and 'Sign Up'. There are two input fields: the first contains 'agowda@semi.org' and the second contains a masked password '*****'. Below the password field is a link 'Don't remember your password?'. At the bottom is a green button labeled 'LOG IN >'. A green arrow points from the 'Sign Up' tab to the text above.

The user ID is your work email address by default.
If you don't know the password, simply click 'Forgot Password' and follow the instructions to change your password with a new one.

Find the SCC Community

1. Once you're logged in, come back to the main landing page
2. Then, click 'Communities' tab to find 'My Communities' drop-down in the menu bar
3. Click 'My Communities'

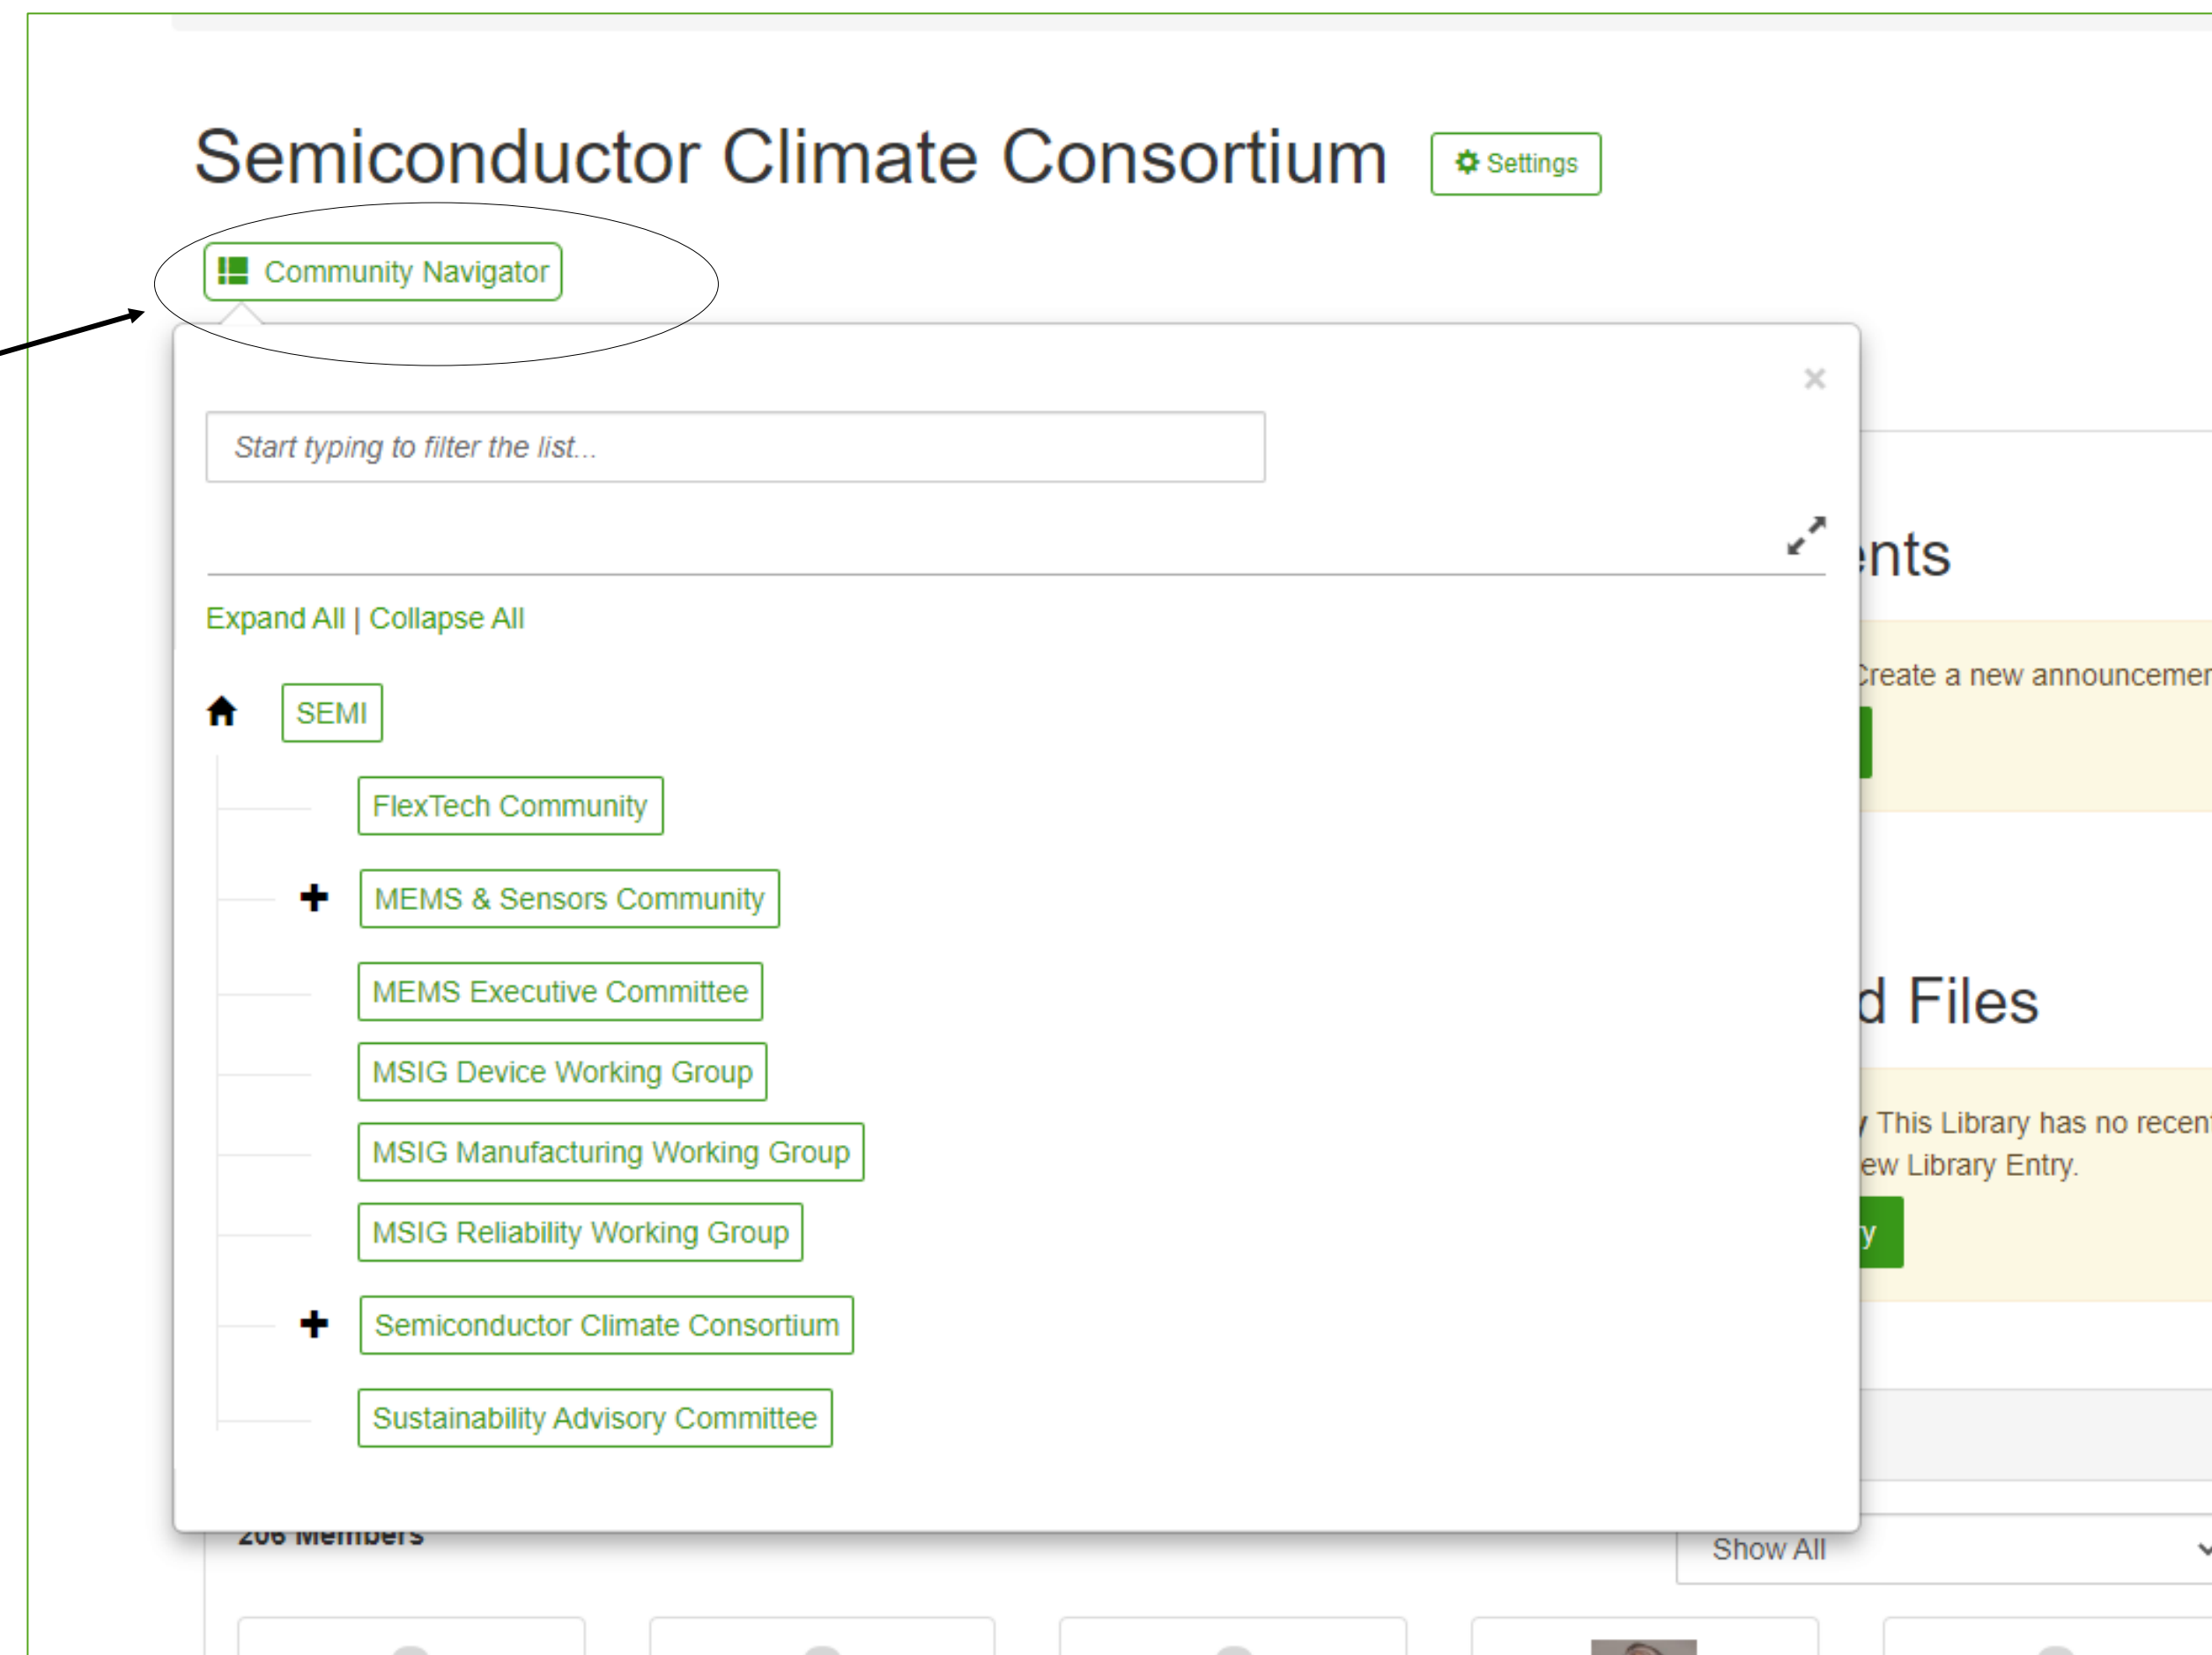

OPTION 1: Choose the SCC Community or your Working Group from the list

Find and click “Semiconductor Climate Consortium” or whichever Working Group you are looking for

SCC Scope 1 WG Semiconductor Climate Consortium Scope 1 WG member last person joined 29 days ago	Discussions 0 Libraries 0 Members 7

OPTION 2: Accessing SCC Workgroups

Click the Community Navigator Button
You will see
Semiconductor Climate Consortium in the drop-down menu

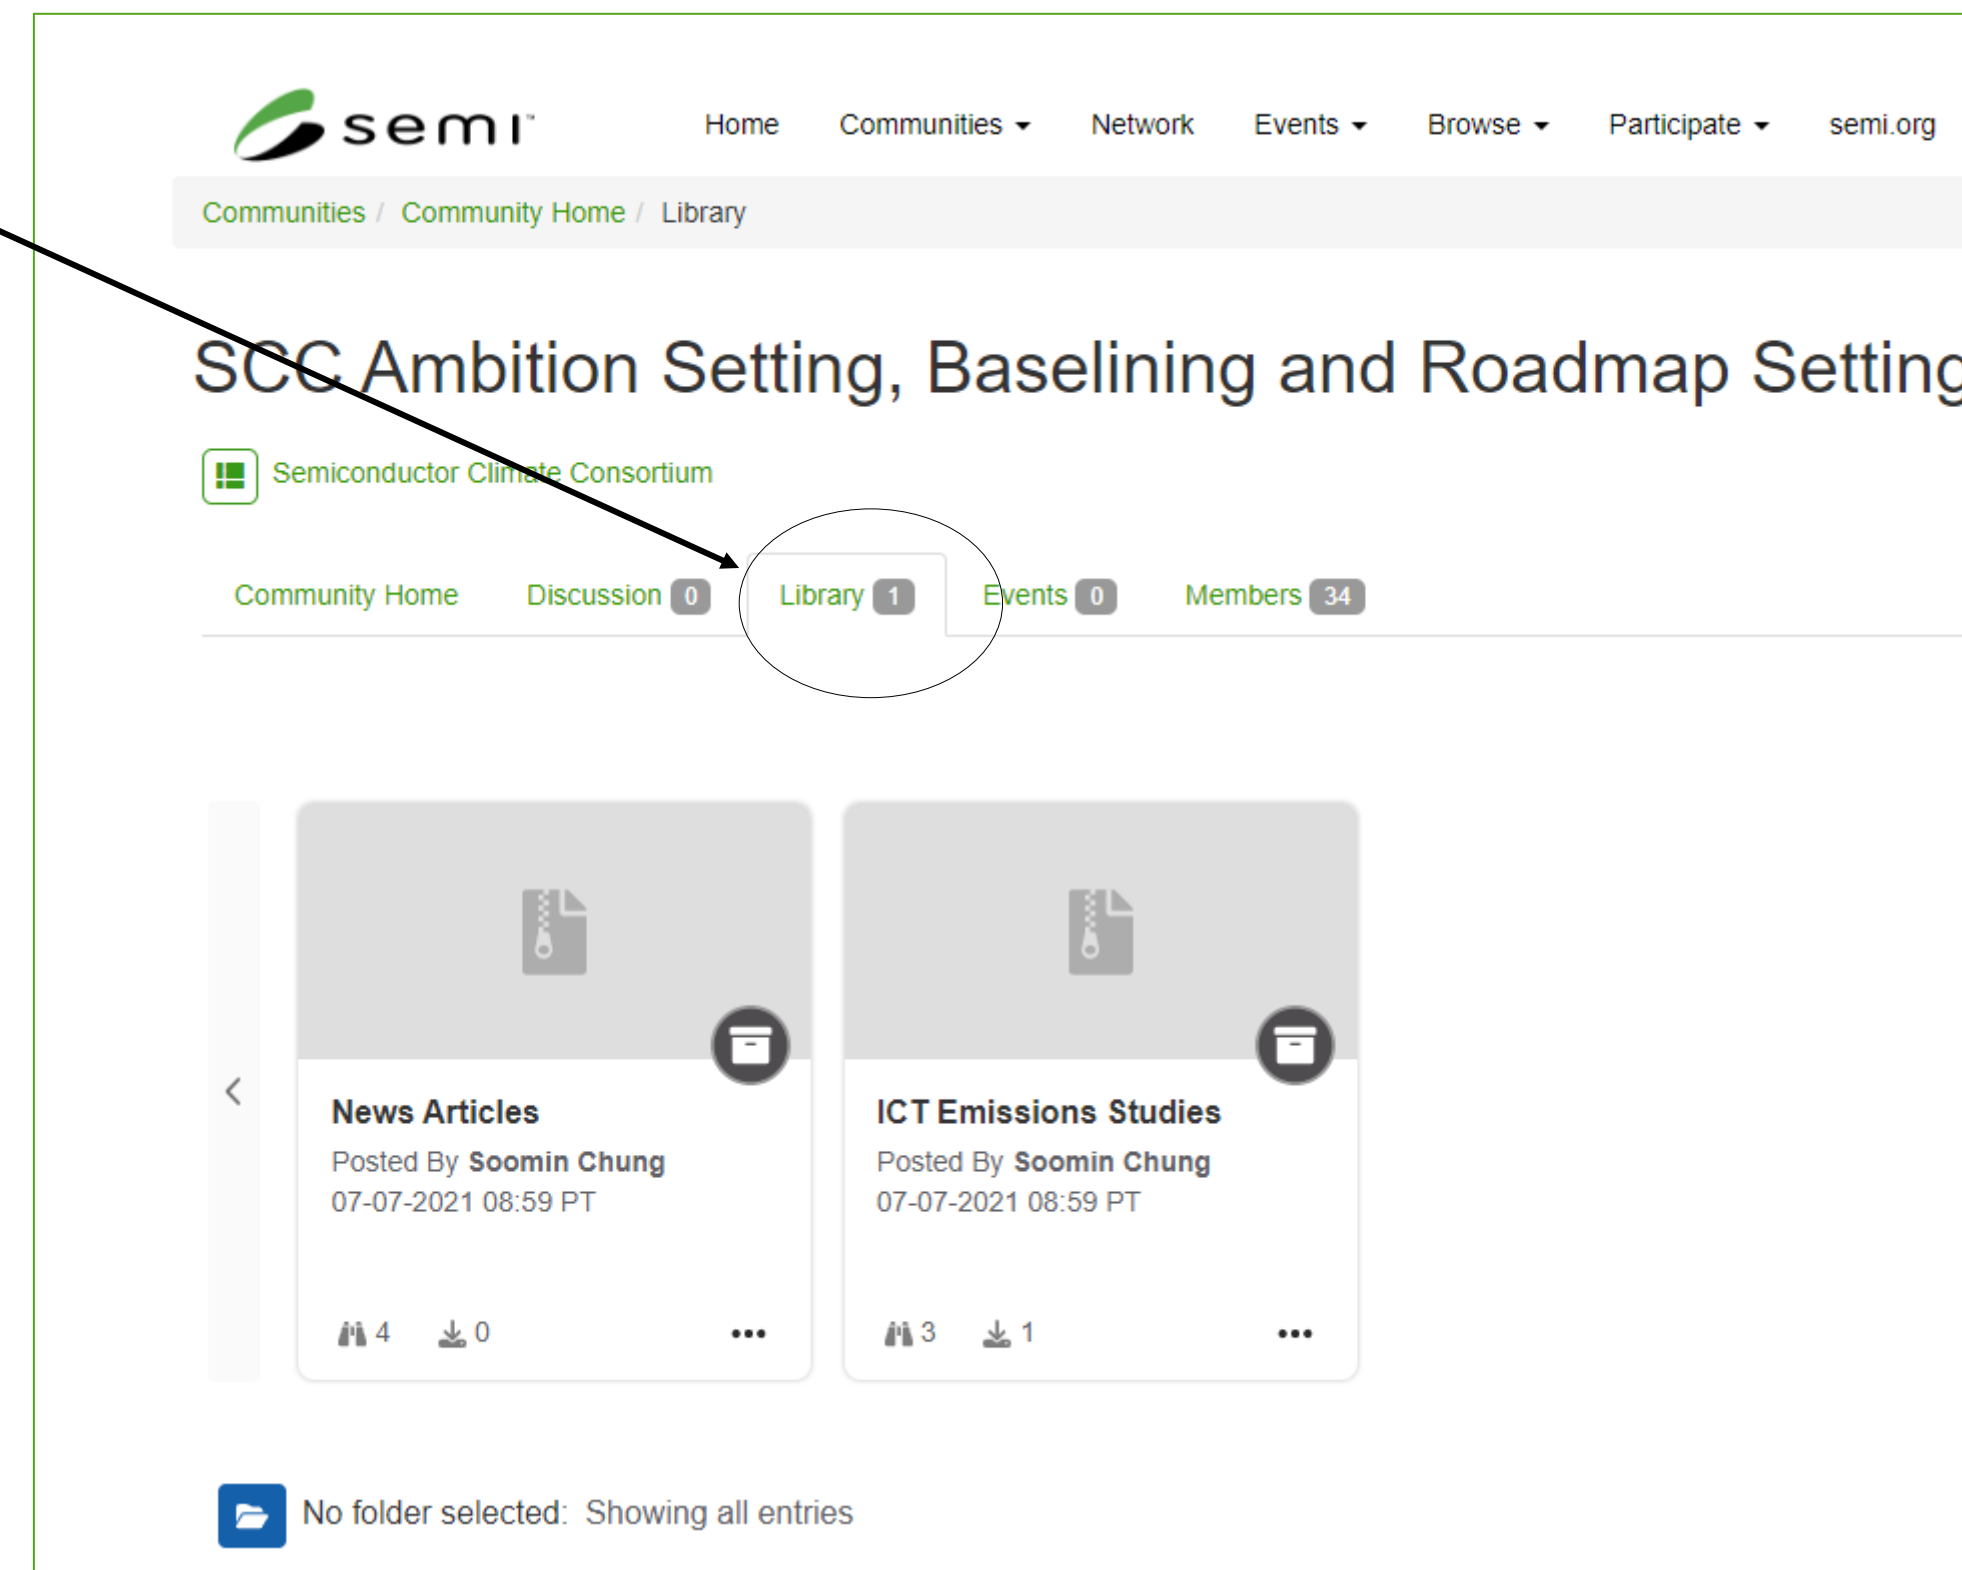

Use the Community Navigator

Click the + under Semiconductor Climate Consortium and you will see a drop down of the Working Groups

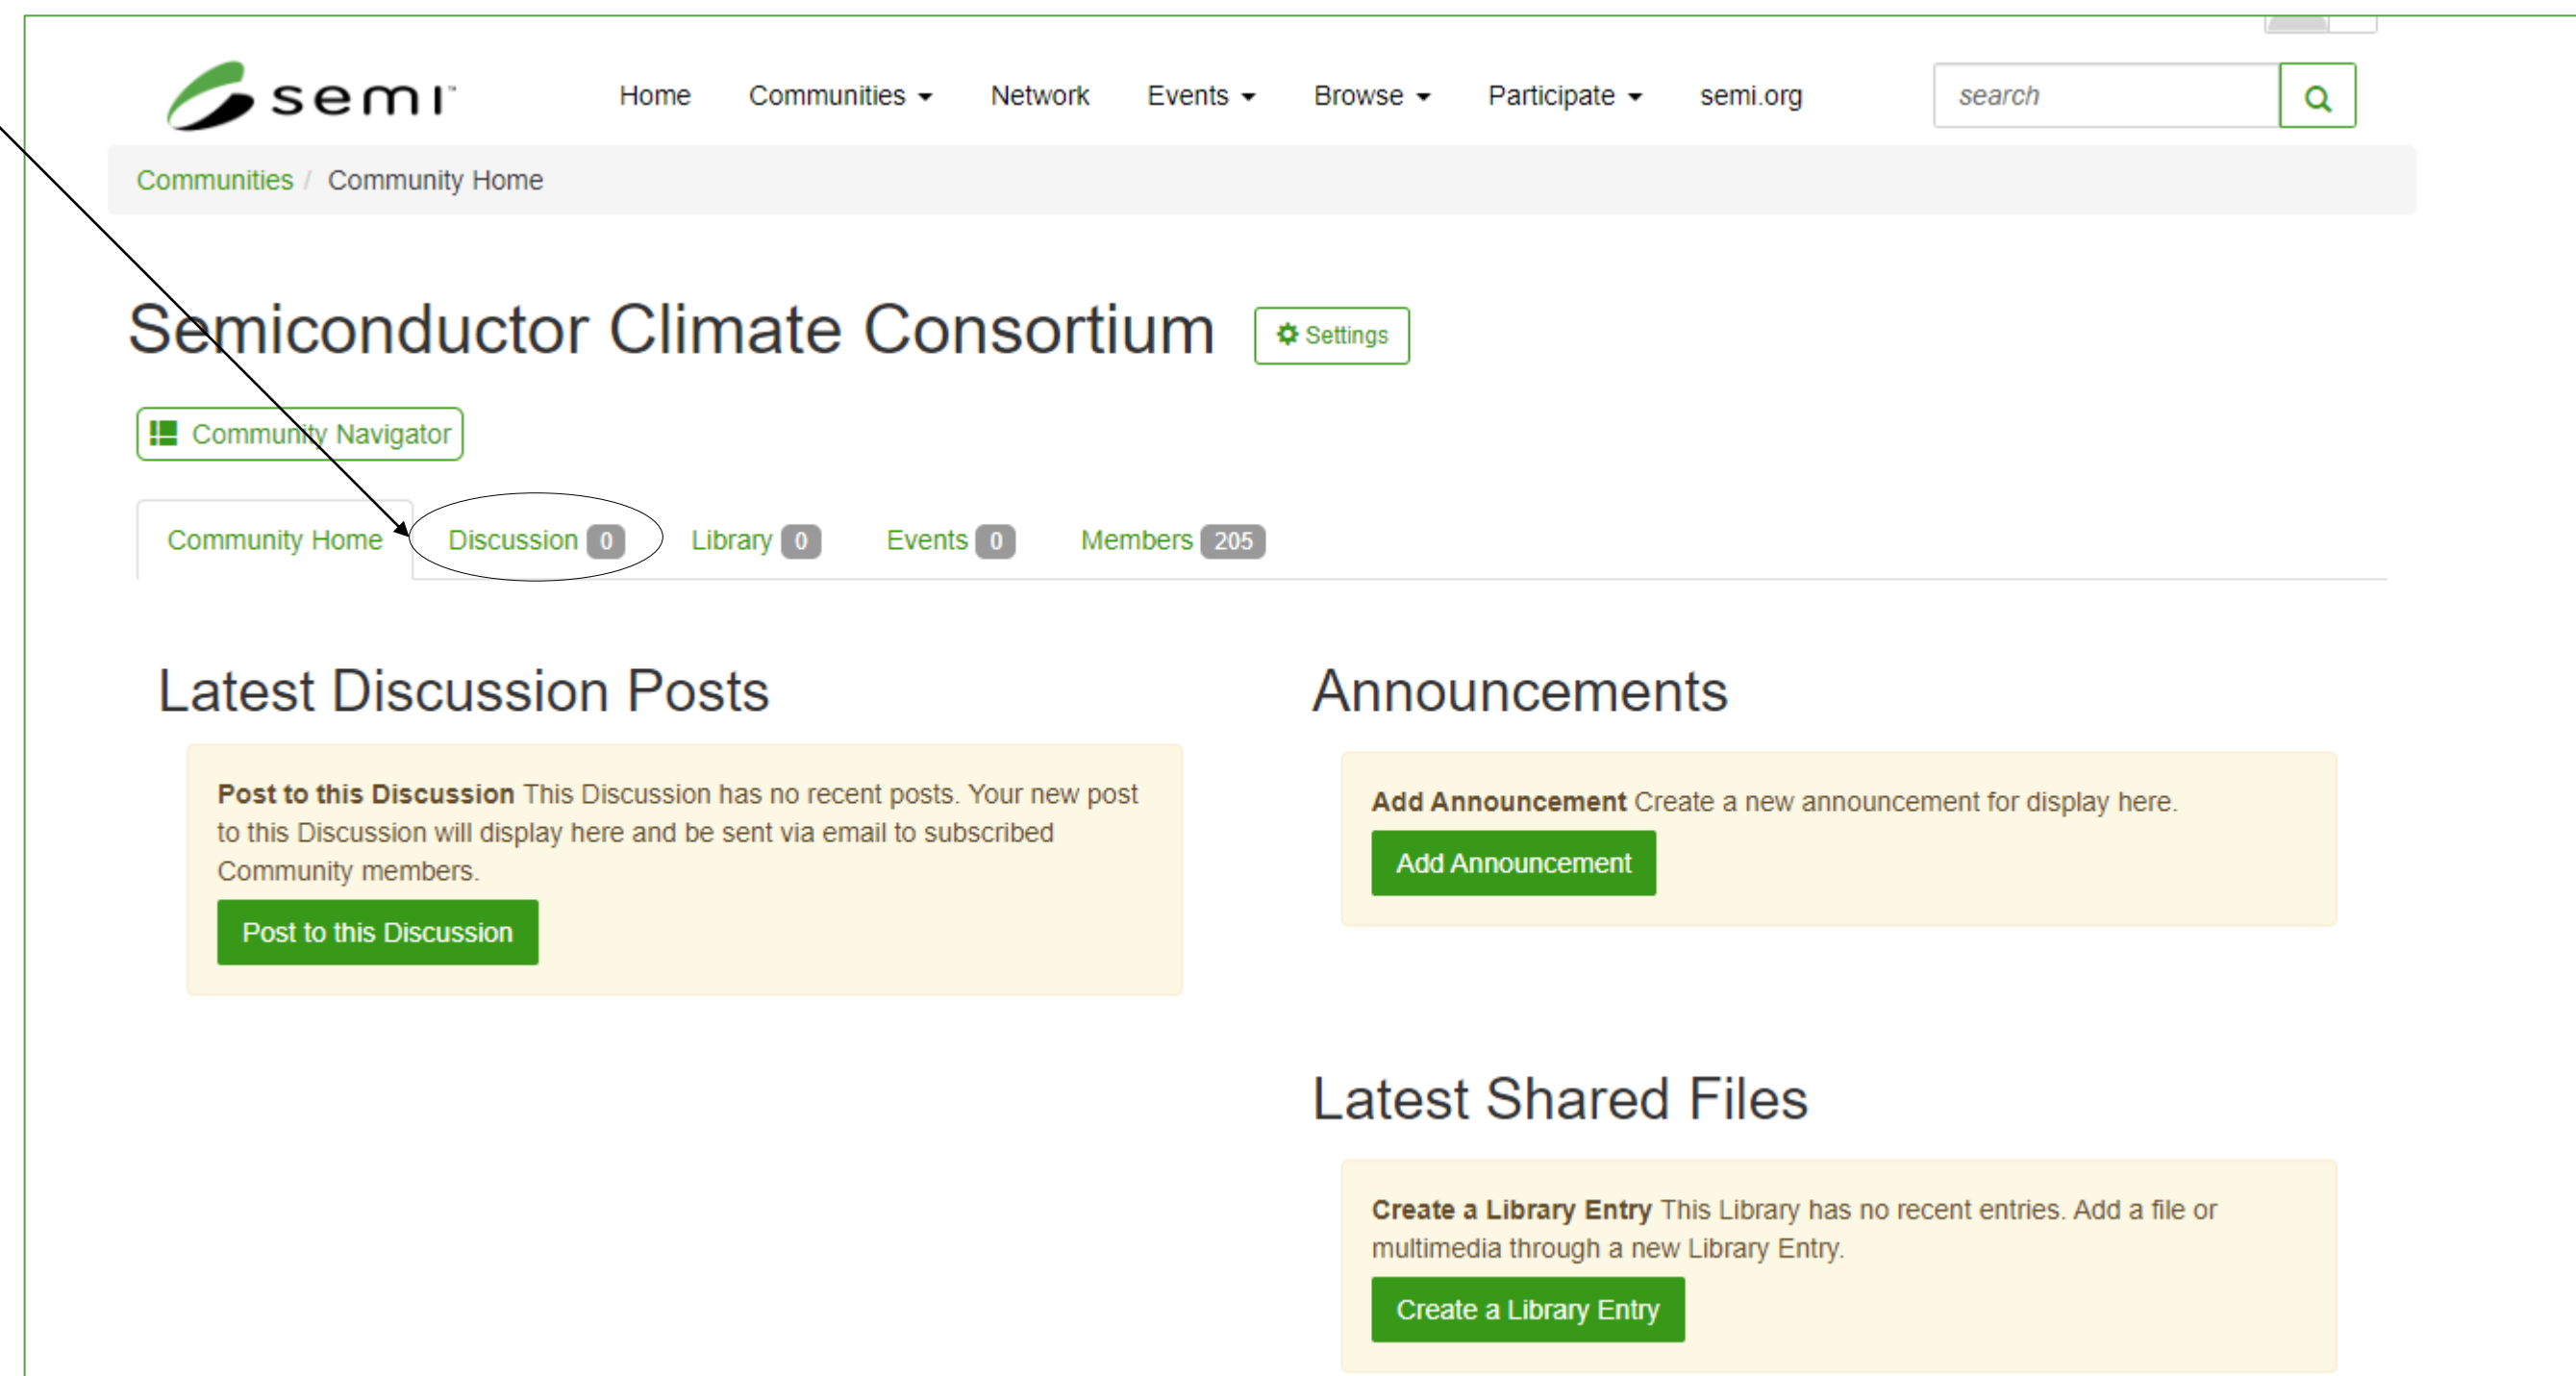

Accessing the Working Group Library

- Click the 'Library' tab to access all documents related to WG activities.
- The Library serves as a repository of files and documents
- Any member can place files into the Library
- Files sent attached to emails to the group area also placed in the Library
- Members, Chairs and Administrators should pay attention to file structure

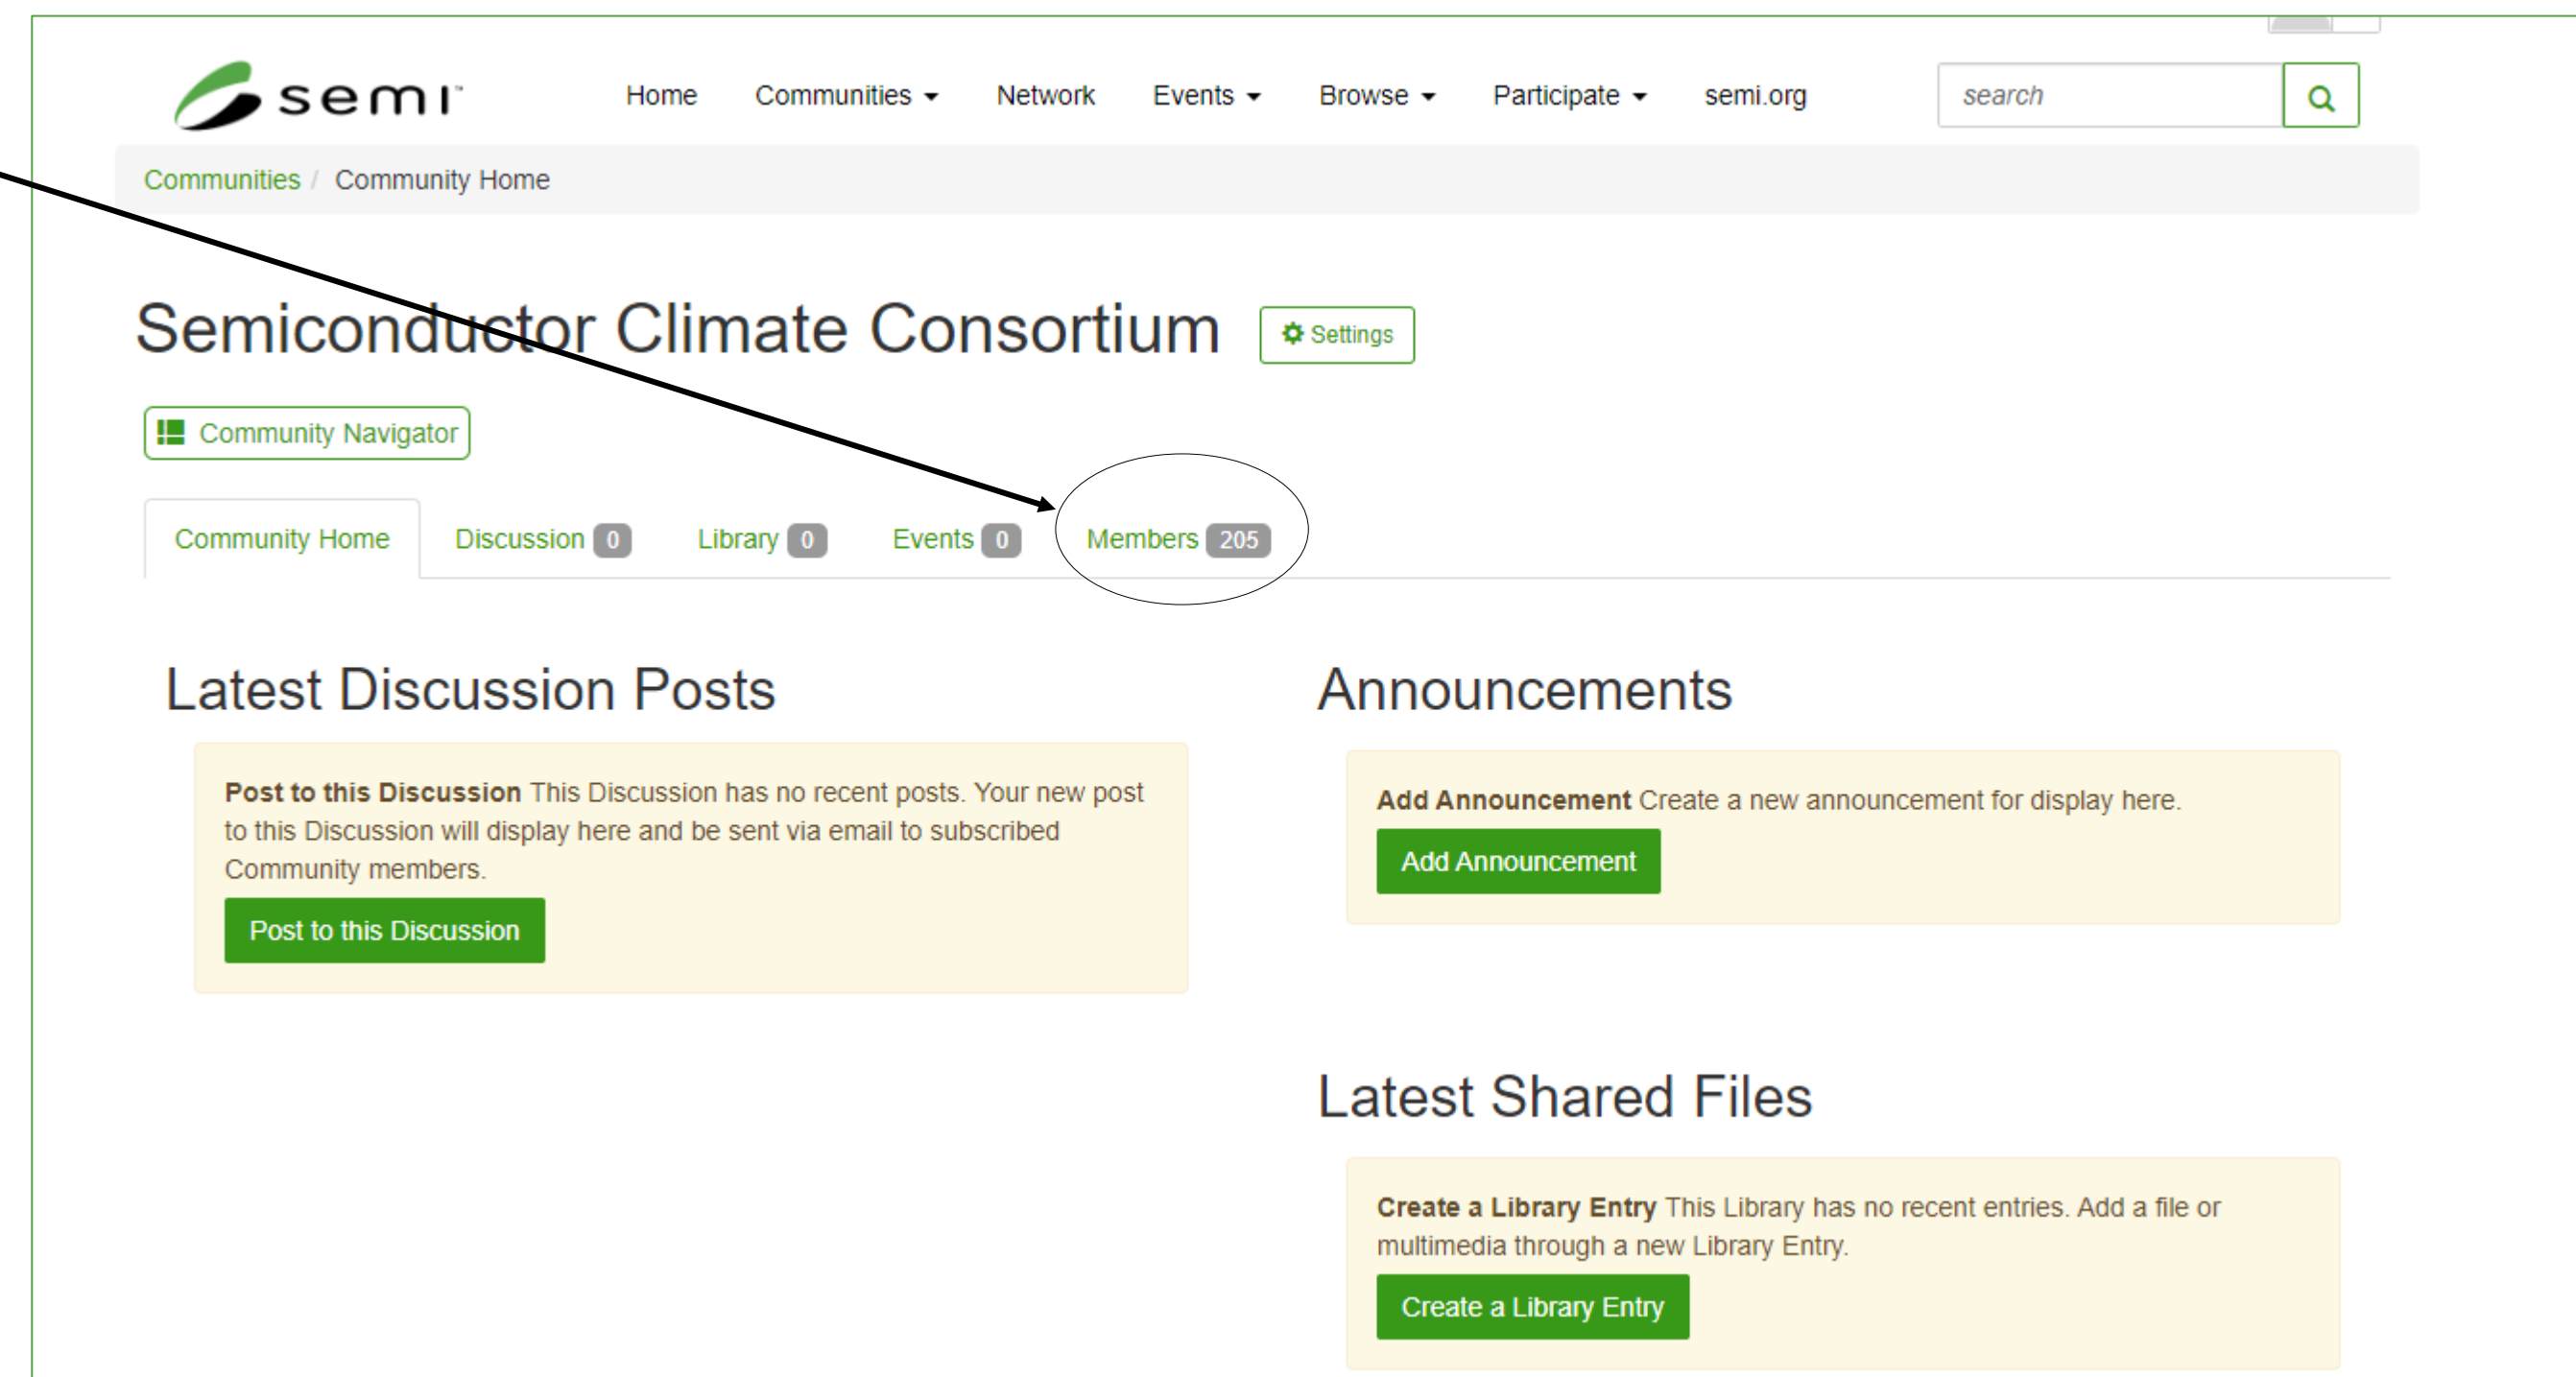

Accessing Working Group Discussions

- Access all posts and discussions here
- Discussions can be posted from this window or any email system.
- Posts will be emailed to every current member
- Many of these Posts go to Junk/Other folders. Members are encouraged to add “@connectedcommunity.org” and “@semi.org” to their email “approved” (aka “whitelist”) to ensure they go to your ‘Focus’ and ‘Primary’ folders.
 - We also recommend asking your IT dept. to add these links
- To email from your email client, use the appropriate reflector email address available from emails received from the group

Accessing SCC Member Contacts

- Member contact information can be found under the 'Members' tab
- You can send personal messages to other members
- Contact information for others member should only be used for purposes of communicating about activities of the Working Group and treated with all privacy considerations under law

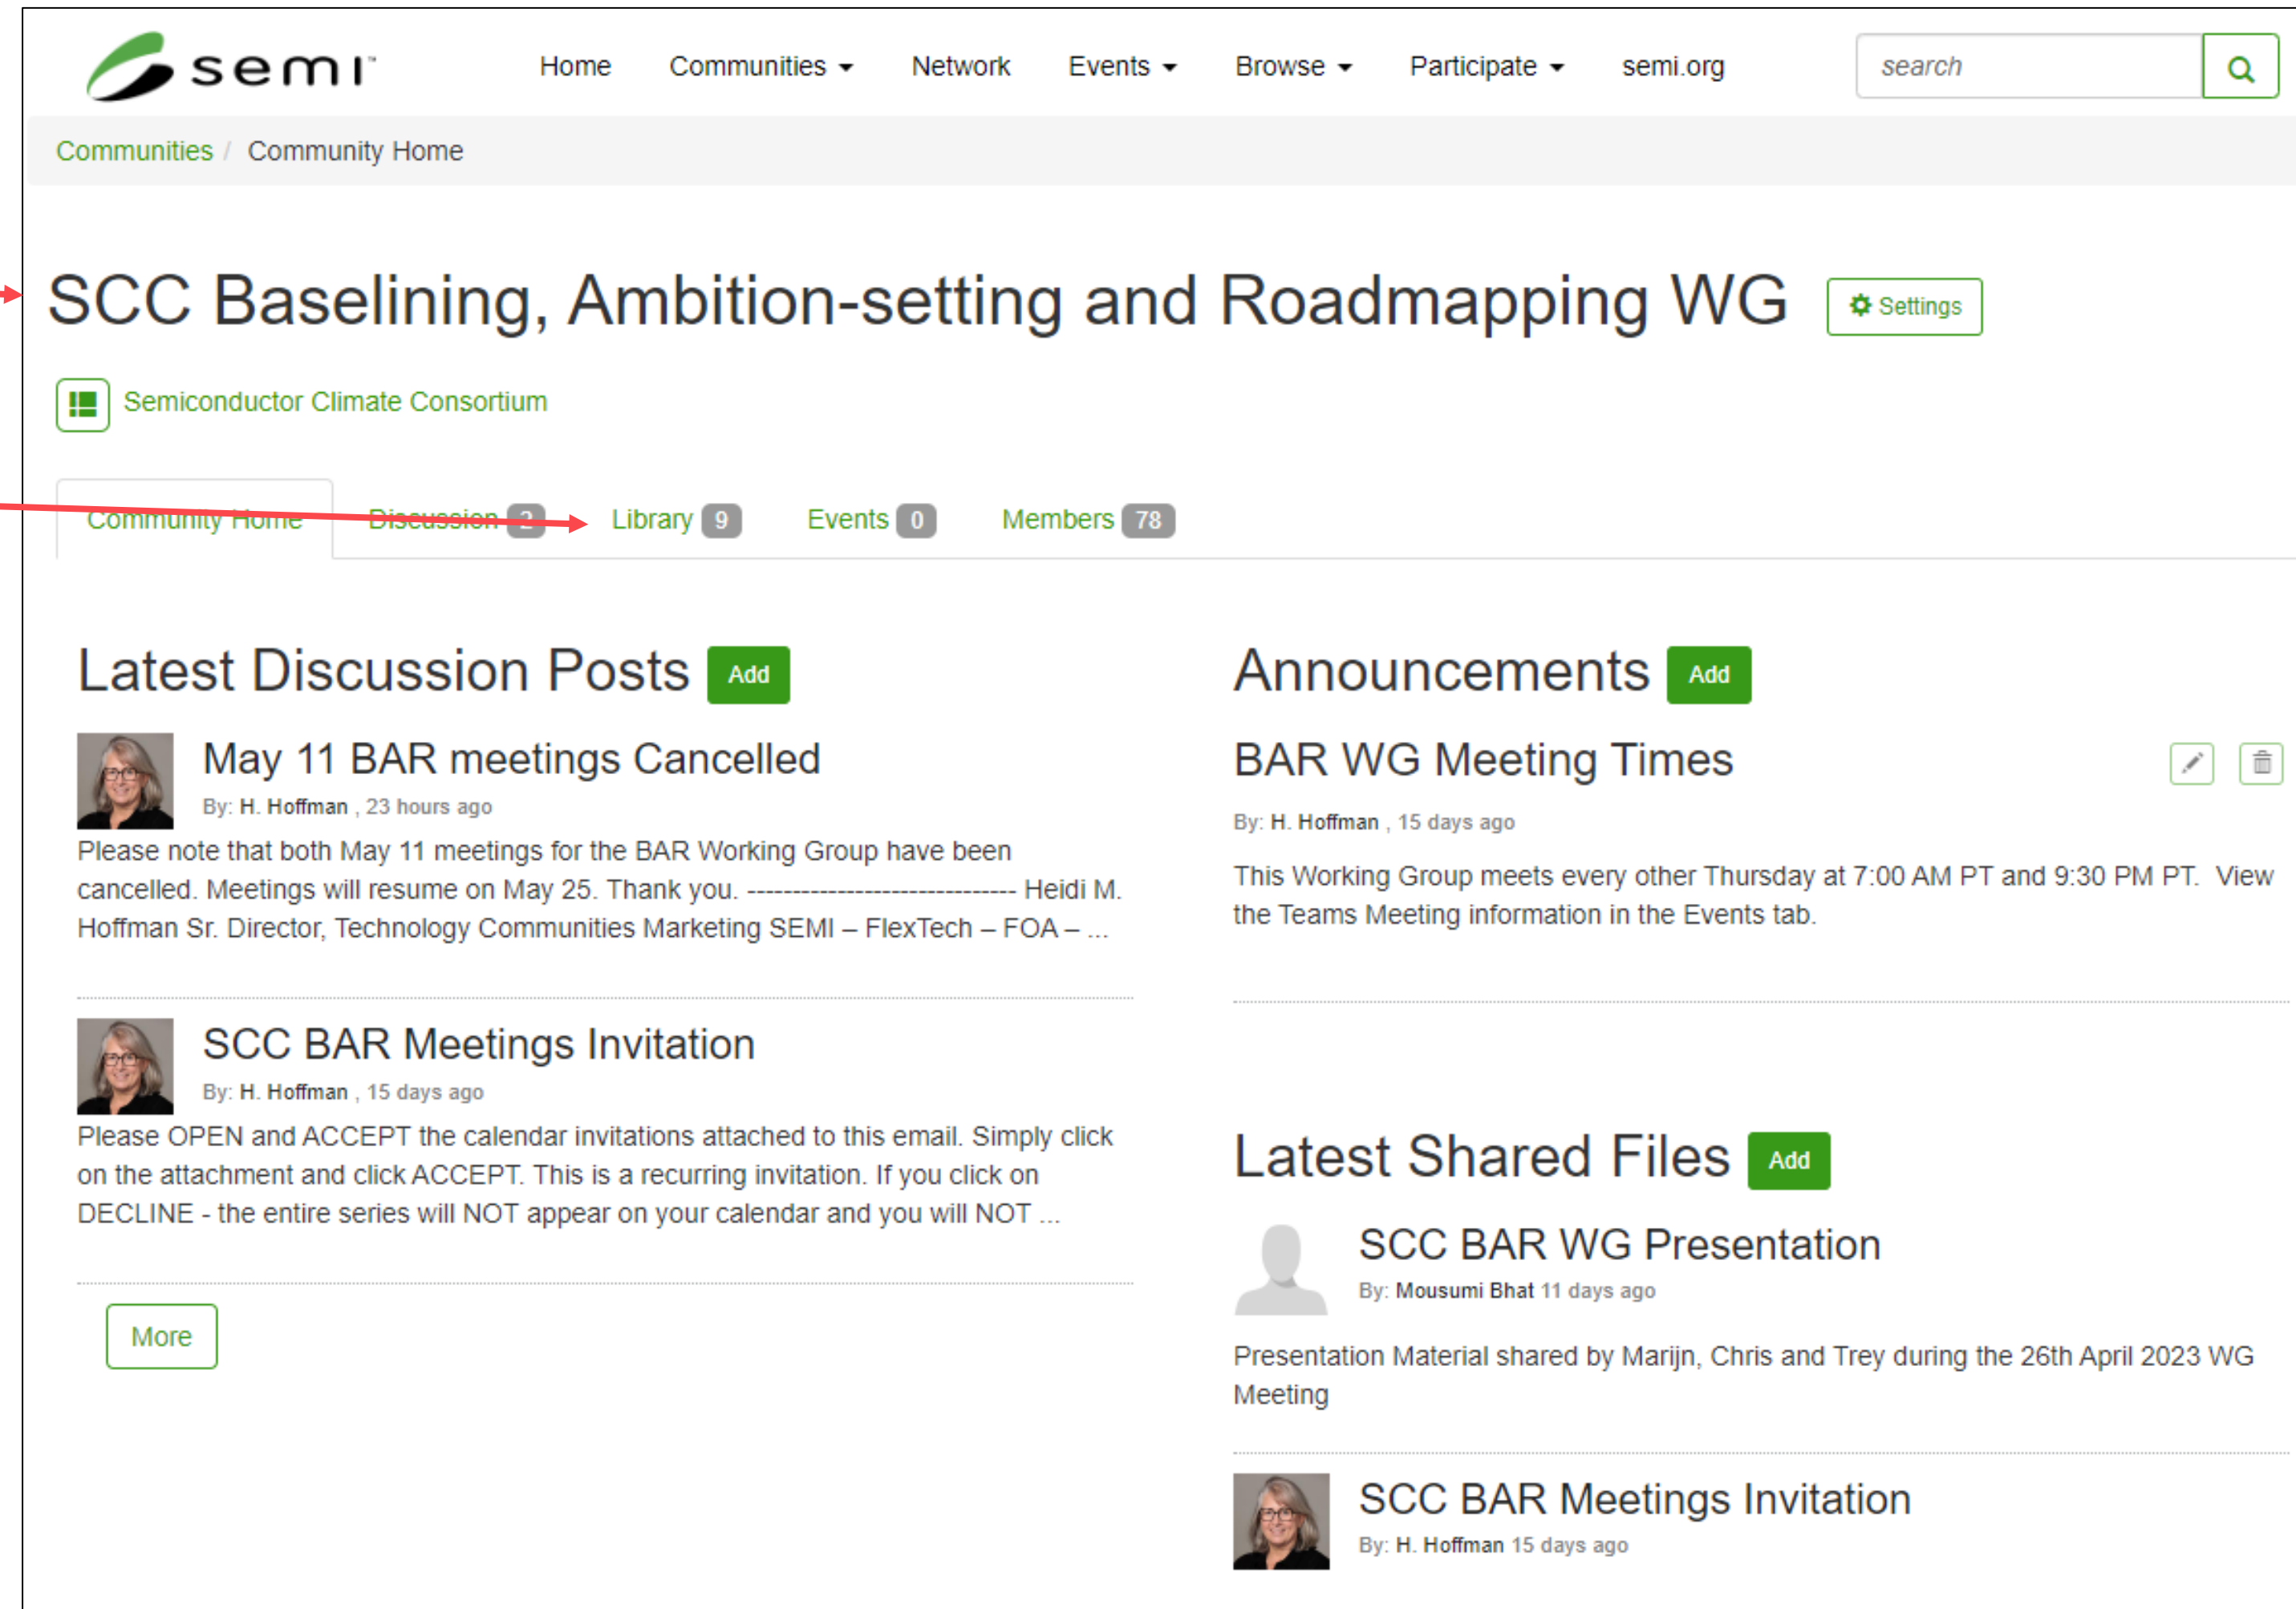

Adding Working Group Meetings to Your Calendar

- SCC Working Group are typically scheduled every other week, one convenient to EU and one convenient to APAC regions
- To add the invite to your personal calendar, go to the landing page for the WG you wish to attend
- Open the Library, and find the .ics files. One for APAC and one for EU
- Double-click on the one you wish to attend
- In the new window, click on “Accept” the meeting.
- This should place the meeting on your calendar with the TEAMS meeting information embedded. These are recurring meetings.
- You can also copy/paste the TEAMS meeting information into a new meeting on your own calendar.
- Do this for each Working Group you wish to attend (you must first have registered for the WG – see page 2)

To Save an .ics invitation to your calendar

Go to the WG to which you are a member
