- b) Fill out the fields and click on the blue button “+Standards Committees”.
Select a **Membership Type**:

The first screenshot shows the SEMI Sign Up form with fields for Email, Password, First Name, Last Name, Organization, and a language dropdown. A red box highlights the "+Standards Committees" button. A green arrow points to the second screenshot, which shows the "Standards" page with the "Membership Type" section. It has two radio button options: "Program Membership" and "Program & Technical Committee Membership".

- c) **Membership** types are below. Read SEMI's terms of service, privacy policy and Standards policy, then click the box and select “Sign Up”

The first screenshot shows the "Standards" page with "Program Membership" selected. It includes a checkbox for agreeing to SEMI terms of service, privacy policy, and standards policy. The second screenshot shows the "Standards" page with "Program & Technical Committee Membership" selected. It lists various technical committees with checkboxes, including Facilities, Gases, Liquid Chemicals, and others. It also includes the same agreement checkbox. A green arrow points from the text below to the second screenshot.

Program Membership
(Basic membership required for meeting participation)

Program & Technical Committee Membership
(Required for Leadership positions, otherwise optional: this option requires voting on SEMI Standards ballots from Technical Committees selected (shown on the right), otherwise continue with **Program Membership**)

STANDARDS POLICIES AND NOTICES

COPYRIGHT ASSIGNMENT

SEMI Standards and Guidelines are collectively prepared works published by SEMI as a service to the industry. These works are copyrighted in SEMI's name upon balloting and publication as SEMI International Standards. Accordingly, SEMI requires that you assign to SEMI copyright of standards and guidelines resulting from your participation in the development of SEMI International Standards. Your signature below assigns copyright of such documents to SEMI. All rights in any original unmodified drafts remain with the author. Reformatting of published SEMI standards and guidelines, their distribution outside the principal author's company, and all other reproduction and/or distribution is prohibited without the written consent of SEMI.

INTELLECTUAL PROPERTY

To better anticipate and avoid unknowing incorporation of patented technology, copyrighted items, or trademarks into a SEMI standard or safety guideline, participants in the development of SEMI standards and safety guideline are requested to observe the following code of behavior.

- Responsibility to Report Relevant Intellectual Property - All participants in the SEMI Standards Program have the responsibility to make known to the group in which they participate any non-confidential patented technology copyrighted items, or trademarks, including issued patents and published patent applications, of which they have knowledge and which might be required to be used in order to comply with the standard or safety guideline being developed by the group.
- Prohibition Against Intentionally Concealing Information - It should be noted that intentional concealing of any intellectual property rights while knowing they could have an effect on the document under development is not only unprofessional, but also it may render the intellectual property rights unenforceable in the future.

SEMI Standards Membership Instructions

- To register for *Program Membership*, click “Update” under “Standards Committees”. Select the check box (as shown in the 2nd image). A “Search Committee” drop-down menu will appear. To register for any *Technical Committee (TC)* from the drop-down menu (this is optional), go to Step 6. Otherwise, select the check box (required), and click "Update Committees". You should be taken back to your account page and “Program Membership” be listed.

The screenshot shows the SEMI account page. The top navigation bar includes links for Cart, Members Only, and Sign Out. The main navigation bar includes Home, Account (highlighted), Standards Ballots, and Product Download. The PROFILE section on the left contains fields for Full Name (Laura Nguyen), Company Name (Test), and Job Title, with an UPDATE button at the bottom. The STANDARDS COMMITTEES section on the right shows the Affiliate Company as SEMI and includes an UPDATE button highlighted with a red box.

The screenshot shows the UPDATE COMMITTEES modal window. The Program Membership checkbox is selected, indicated by a red arrow. The modal includes a green UPDATE COMMITTEES button at the bottom.

The screenshot shows the UPDATE COMMITTEES modal window. The Search Committees dropdown menu is open, and the UPDATE COMMITTEES button is highlighted with a red arrow.

The screenshot shows the SEMI account page after registration. The PROFILE section remains the same. The STANDARDS COMMITTEES section now lists Program Membership with a checkmark, and the UPDATE button is highlighted with a red box.

SEMI Standards Membership Instructions

7. **(Optional)** Select as many TC(s) you want to register for from the drop-down menu. Uncheck any Committees you want to remove (as shown in 2nd image). Click “Update Committees” when done. **Please note, you are required to vote (accept, reject, abstain) on all ballots being issued from the TC(s).**

The screenshot shows a modal titled "UPDATE COMMITTEES". Under the "Program Membership" section, there is a search bar labeled "Search Committees" and a dropdown menu. The dropdown menu is open, showing a list of committees: 3D Packaging and Integration, Automated Test Equipment, Automation Technology, Compound Semiconductor Materials, EHS, FPD - Materials & Components, FPD - Metrology, Facilities, and Flexible Hybrid Electronics. A green "UPDATE COMMITTEES" button is visible below the search bar.

The screenshot shows the same "UPDATE COMMITTEES" modal, but now the "Facilities" and "Gases" sections are visible. Both sections have a checkbox that is checked. A red arrow points to the "Gases" checkbox. A green "UPDATE COMMITTEES" button is highlighted with a red border at the bottom.

8. You should be returned to the main “Account” page and TC(s) you selected should be shown under “Standards Committee”.

The screenshot shows the SEMI Account page. The top navigation bar includes "Home", "Account", "Standards Ballots", and "Product Download". The "Account" section is active. On the left, the "PROFILE" section shows fields for "Full Name" (Laura Nguyen), "Company Name", "Test", and "Job Title", with an "UPDATE" button. On the right, the "STANDARDS COMMITTEES" section shows the "Affiliate Company" as SEMI. Below this, there is a list of committees with checkboxes: "Program Membership" (checked), "Facilities" (checked), and "Gases" (checked). A green "UPDATE" button is at the bottom right.
